

September 2018

Burbank Council PTA cares about children and our public schools. Our goal is to work together for the benefit of all children in the Burbank Unified School District and our community. When you become a PTA member, it not only shows support for our children, but will also help us fund the many events, programs, scholarships and parent workshops that we sponsor throughout the year.

We extend this invitation to you, a member of our school community, to become a Burbank Council PTA All Star and join all 16 Burbank Unified School District PTAs for \$130.

For more than a century, the PTA has been supporting and advocating for public schools, children and families in our communities. With nearly one million members, California State PTA is the largest volunteer organization in the state dedicated to improving the well-being of all children and youth. Joining PTA supports local, state, and national efforts to improve the education of children and the lives of families.

The PTA has been instrumental in efforts to support class size reduction, bring arts and physical education back to our schools, and ban junk food at school sites, to name a few of our advocacy efforts. With your support, we will continue to work for and speak on behalf of all children.

We invite you to be a Burbank PTA "ALL STAR" and **Join us. . join PTA!**
